## Genealogy Workshop with *Warren Bittner*

1:30 - 3:30 p.m. Sunday, March 6, 2016

Central Library | Tandy Lecture Hall

### **Understanding and Researching Illegitimacy**

See new light on nineteenth century morality. Follow a couple with three children born during a ten-year wait for marriage. You'll be amazed to learn what happened. This lecture is based on Mr. Bittner's Master's Thesis, and also the material used in his award-winning article.

### **German Research: Bads, Bergs, Burgs and Bachs**

Learn to solve challenging locality problems, map guides, reverse sorts, etc.

**Warren Bittner, CGSM, is a genealogical researcher and lecturer, with thirty years of research experience. He holds a MS in history from Utah State University and a BS in Business from Brigham Young University. His master's thesis looked at the social factors affecting illegitimacy in nineteenth-century Bavaria. He is fluent in Mandarin Chinese and has studied Chinese at a graduate level at the Inter-University Program for Chinese Language Studies in Taipei, Taiwan, R.O.C.**

**Mr. Bittner owns Ancestors Lost and Found, a small genealogical research firm. He has worked for the Family History Library in Salt Lake City for many years in several capacities such as the German Collection Manager. He has done research in more than fifty German archives and in more than forty U.S. archives and record repositories. In addition to serving as the assistant director of the Salt Lake Institute of Genealogy and on the board of directors for Utah Genealogical Association, he is a member of many genealogical societies and has made several appearances on the PBS television series, Ancestors 2.**
