

My Family

History Paper:

Lessons learned,
sources used, and
its organization

Reading family letters saved and passed on motivated Laureen Jacobs to write a chapter of her family history. Laureen's uncle, Eugene F. Geppert 1920-1943, grew up during the great depression and attended college during the late 30s and early 40s, only to die of injuries in a flight training accident near Andalusia, AL at the age of 23.
