AGS Meeting TUESDAY, January 9th, 2018 6:30 P.M.

Our meetings are held in the Community Room at the Arlington West Police Service Station, 2060 West Green Oaks Blvd. The Arlington Genealogical Society meets on the second Tuesday monthly from September through June. All visitors are Welcome.

Refreshments

The following people have volunteered to furnish refreshments for the meeting: Cherry Williams, Jeannie Schemensky, Robert K. Blowers, and Paul L. Wright.

Second VP, Jeanne Rives, our refreshments coordinator, is most appreciative for your generous response to the December meeting cookie exchange. Cookies not sampled or exchanged were donated to the West Police Service Center. Shared recipes will be replicated and shared with members via the browsing table.

The January Meeting Program

Throughout our membership year we advance our genealogy knowledge through various programs and hearing subject matter expert speakers. The January meeting program turns the tables. Our program will be sourced from "US" the members. Come to the meeting ready to share about an heirloom item, or an aspect from your family history. Share with the members about your research accomplishments or your "brick walls". Sharing these stumbling blocks may open a new

angle to pursue. Your story is likely to inspire other members to a renewed interest in some aspect of genealogy. One of our Society officers will speak first to get the program and discussions started. Keep your presentation to 5 minutes or less so more members have a chance to speak.

The December program, *Picturing Family History: Identifying Preserving and Sharing Old Photos*, featured Ann McKee as the speaker. Ann inherited 106 unidentified family photos, dating from the 1860s. Within four years she had identified the people in 86 of those. Ann shared her techniques to help you do the same with your "mystery" photos. Ann's talk focused on scanning those "mystery" photos and sharing widely, resources for identification, and the identification process. Her program included a four-page handout. Copies of Ann's handout will be available on the browsing table at the January meeting.

A Few Words from Your Society President

Happy New Year!

This is a time when many pause to reflect on the past year and make plans for improving some aspect of their lives in the coming year. It is not uncommon for organizations to do something similar. In the year of 2017, there was quite a bit of growth and learning for our organization.

Our membership roster has grown throughout the year, both in the number of family and individual memberships. Attendance at meetings has been fantastic, with a variety of different guests in attendance each month, much of which is owed to the variety of speakers and topics presented at each meeting.

As an organization we have welcomed new individuals into leadership roles, updated our constitution and by-laws, and furthered our stated purpose. We continue to promote the study of genealogy through our monthly speaker program, provide ongoing assistance to the Arlington Public Library in obtaining and preserving genealogical books, microforms, and other records of historical interest.

We continue to maintain our Section 501 (c) (3) status of the current Internal Revenue Code through our annual reporting and pursuit of our educational and literary purposes.

We continue to source and acquire research media for housing in the Arlington Public Library, which was begun in 1972. With the collection relocation, while the new George Hawkes Library is under construction, AGS assisted library staff with organization, catalog referencing and inventory management to ensure an accurate listing of the collection, reduction of duplicate items, and condition evaluation of the text media on hand.

We have donated funds to the Arlington Public Library to purchase Microfilm scanner/reader equipment as well as funds to honor our long-time member and benefactor, Alfred A. Howard (1932 - 2012).

We will continue to advance our mission in the coming year as we look forward to the new George Hawkes library opening in the coming year. It is an

exciting time for our society and we look forward to a great 2018!

Steven Brown, President

Committee Reports

Collection Development, Mary Ann Conrad, Chair, and the committee have had a busy few months selecting and purchasing the balance of reference media to be donated to the APL with 2017 funds. The AGS book purchase amount was \$1,474.03 for 42 books averaging about \$35.00 per book. An additional 13 books were donated directly to the APL by various AGS members and friends. If you are in need of, or are aware of good genealogy reference books, please share your information with Mary Ann Conrad.

Membership, Jan Penland, Chair, reports we have 17 family memberships, (34 persons), and 41 individual members. Also, one institutional member (Allen County Library). A total of 76 members. Of those, 28 family and individual members have

renewed. We had a nice increase in membership in 2017! The committee encourages members to pay their 2018 dues prior to or during our January meeting. During 2017 the term of membership was changed to January through December, and all 2017 society membership terms were extended from September to the end of the 2017 Calendar year. Your Society dues remain at \$15.00 for an individual and \$20.00 for a family. When renewing, turn in a completed membership form so our society has up-to-date contact information and family research surnames. [a blank form is appended to the newsletter, page 7]

Publicity, Pete Jacobs, Chair, reports the FaceBook project team will meet Friday, 5 January, at the Lake Arlington Branch Library Community Room beginning at 10 AM. Our goal is to open a FaceBook.com page as a way to broaden AGS exposure to the citizens of Arlington, and thereby build up our membership. Currently we have four volunteer members. Jan Penland, Pete Jacobs, Mark Dellenbaugh, and Meg Anderson. We would like a few more volunteers with some experience with FB. At a minimum, volunteers need to have an active FB account.

Publicity by way of online informational video will continue as time and resources allow. We appreciate the work John Anderson, our web admin, has done to edit and post AGS video via YouTube.

General Genealogy Information

Are you searching Texas seaport arrivals? The Texas Seaport Museum has compiled the nation's only computerized listing of immigrants to Galveston, Texas. The museum's immigration exhibit features text and historic photographs illustrating Galveston's role in immigration history and the major organized immigration movements of the 19th and 20th Centuries. Can't visit the museum? The Galveston immigration database is available online to search for information taken from ships' passenger manifests, [TSMLINK](#). In all, the names of more than 130,000 passengers from the period 1846-1948 have been entered. The database lists only those who first disembarked in Texas. Are the records complete? An unknown percentage of the records are missing; there are very few entries between 1871 and 1894. Need more detail after finding that elusive ancestor? The Galveston County District Clerk provides a sophisticated web-based portal for immigration

related records. This news courtesy of Mary Ann Conrad, Chair, Collection Development Committee.

This also from Mary Ann. While searching for TX county books she ran across this information in Baylor Co. TX. [Seymore, TX is the county seat]. There are many unclaimed original marriage licenses that were never picked up.

FamilySearch is committed to patron privacy and does not share personal account information with any third party without a patron's consent.

Friday March 28 Watson News

A newly made grave was added to our cemetery (West Fork) last Saturday, Mrs. Cook was buried. Our deepest sympathy goes out to her loved ones especially her daughter Mrs. Annie Yankee, who has many friends in this community. Mrs. Cook lived with Mrs. Yankee at the time of her death.

Friday March 28 Radio Funeral at El Paso.

Rev. H. D. Tucker conducted the first radio funeral at El Paso on Saturday March 22, for Geo. Casten, a high school student and member of his church who died with spinal meningitis. Because of the contagious character of the disease, only members of the immediate family, who were exposed to the disease, were allowed in the mortuary chapel. The funeral took place with the minister broadcasting the sermon from the church, the family of the deceased being with the body at the mortuary chapel seated around a radio and friends gathered at the high school auditorium around another radio. Rev. H. D. Tucker who preached the funeral was formerly of Arlington and is a son of our own townsmen, G. A. Tucker, having been reared here. His friends and relatives rejoice to know that his pastorate is one of the largest churches in El Paso, is meeting with success this being his third year to be returned there. He has made wonderful progress in his work, and has endeared himself to his people.

Mrs. James was a sister to Mrs. Frank Thomas and we extend to all her loved ones our sympathy.
