## May 2018 Newsletter

*MASTHEAD DATA continued on the last page*

### **AGS Meeting TUESDAY, May 8th, 2018 6:30 P.M.**

Our meetings are held in the Community Room at the Arlington West Police Service Station, 2060 West Green Oaks Blvd. The Arlington Genealogical Society meets on the second Tuesday monthly from September through June. All visitors are Welcome.

### **Refreshments**

The following people have volunteered to furnish refreshments for the May meeting; Dan Hamilton, Quenna Cox, and Mary Ann Conrad.

### **The May Meeting Program**

Throughout our membership year we advance our genealogy knowledge through various educational programs. Our speaker this month will be, Lauren Jacobs, retired librarian and AGS member.

Lauren will speak about Irish Texans along with Irish heritage genealogy and family history research. Some of the first Irish Immigrants gained a "Texas" foothold within the McMullen-McGloin empresario colony which was founded in 1828. By

the eve of the Texas revolution the colony town, San Patricio, was a thriving settlement with a population of nearly 500. Descendants of some of the original Irish colonists still live in San Patricio County.

### **A Few Words from Your Society President**

Last month's program regarding the holdings at the UTA Special Collections, presented by Brenda McClurkin, was very informative. What a wonderful resource we have in our own back yard! The photo collection, historic maps and rare documents related to Texas history are quite the treasure.

We have made a speaker change for this month's meeting, due to a miscommunication with our originally scheduled speaker. Our own Lauren Jacobs will present on Irish Immigration to Texas. Tresa Tatyrek, who was scheduled to present "Become a Mapaholic" will be invited to present her program at a later date.

We will end the "meeting year" at our June program with a "Brick Walls" session where we will try to help one another through stumbling blocks in our own research.

Our programs for the 2018-2019 meeting year are already beginning to take shape as we move into the new George W Hawkes Downtown Library with our September meeting. We currently have plans for a group tour of the new library and genealogy collection location, presentations on using timelines to fill gaps in our research, DNA and member show and tell success stories!

For those members who have registered with the City of Arlington as a volunteer, moving day is right around the corner! Larry Howser and his committee will be contacting volunteers regarding the needed assistance in readying the Genealogy Collection for moving from the Northeast Branch to the new Downtown library location. May 1 and 2 will be the dates the books are removed from the North East shelves and loaded onto carts for relocation. On May 17, the books will begin to be offloaded from the carts on to the shelves in the new Downtown library building in preparation of the June 16 opening day! Please watch your email and listen for the phone call from Larry's team as he provides details to the volunteers on this important endeavor!

In keeping with our stated Society mission, Mary Ann Conrad and her Collection Development Committee delivered 44 books to the Arlington Public Library this past week! Most of these books were donations from the Weatherford Library collection. We hope the Arlington Public Library staff will be able to catalogue these books so they may be ready to shelf in the new downtown library for opening day, June 16, 2018. The committee is still processing two boxes of books that will be exchanged out. These books for exchange are a later edition or in better condition than the genealogy reference books currently in the collection. Look for a donated book listing in the June Newsletter.

As part of our promotion of Genealogy within the community, I will be joined by Pete Jacobs in making a presentation to the Arlington Newcomers on Thursday, May 4, 2018 at 10:00 am at the Bob Duncan Center. We will present an overview of Arlington Genealogy Society and genealogy in general.

Our next Board Meeting will be held on Saturday, May 5, 2018 at the Woodland West Branch Library community room at 10:00 am.

I look forward to seeing everyone Tuesday, May 8, 2018 at our next meeting! Steve Brown, President, Arlington Genealogy Association

## AGS Board meetings:

The last AGS Board meeting took place Thursday evening, March 22rd, 2018, in the Woodland West Branch Library Community Room. As mentioned in the previous article, the next Board of Directors meeting has been scheduled for Saturday, 5 May, 2018, at Woodland West Branch Library Community Room to begin at 10 AM. On the agenda will be final planning regarding AGS plans to assist in shelving the Genealogy Reference collection into the downtown library local History and Genealogy room. Also, the Nominations Committee will present its recommendations for Board approval. Members are invited to attend Board meetings. You can also suggest ideas and proposals to a board member or committee chair. All AGS Board meetings are open to the public.

## Committee News

Collection Development, Mary Ann Conrad, Chair. AGS members keep in mind that your genealogy reference needs have the ear of Mary Ann's Committee. Share your research focus with the committee so they can book shop with your areas of interest in mind. Mary Ann's committee report is written up in this month's Society Presidents article.

Membership, Jan Penland, Chair, with membership news: Since we have changed our membership year to match the calendar year, you may have missed the renewal deadline for 2018, which was March 13. The membership roster has been updated to reflect only those whose dues are paid for this year. However, if you missed the deadline, we will gladly reinstate your membership upon receipt of your payment. You may pay at our next regular meeting on May 8 or by mail. Our mailing address is P.O.

Box 373, Arlington, TX 76004-4373. A membership form is appended as the last page of this newsletter and on our website. I hope to see you on May 8!

Finance, Jeanne Rives, Chair, reports the Committee met 30 March to review the Treasurer's books and verify gross receipts for AGS business year 2017. The average gross receipts over three years falls below \$50,000.00, so AGS filed the not for profit IRS e-postcard 990-N for tax year 2017.

Publicity, Pete Jacobs, Chair, Your AGS Facebook page awaits your visits and interactions, as in Like, Follow, Share, Comment, Post, Message, or Review the content. To find the AGS page with your personal device or computer, key into the browser search block "@arlingtongenealogytx". The FB Project team [Steven, Meg, Jan, Mark, and Pete] appreciates your participation on our Facebook page.

Genealogy Resources, Larry Howser, Chair, reports the Genealogy Resources Committee is actively assisting in the Downtown Library move-in effort along with AGS member volunteers. All genealogy reference media at the NE Branch Library, with the exception of selected circulating gen ref books, will be packed onto moving carts beginning the 1<sup>st</sup> of May. The genealogy reference collection moves into the new downtown Library local history and genealogy room, again with AGS member volunteers helping the Library staff, right after the 3<sup>rd</sup> floor furniture and shelving installation work is finished around May 17th.

Nominating, Sylvia Hoad, Chair. The nominating committee was activated at the March board meeting. Nominating forms are being distributed at all meetings. An AGS Board recommended slate of Officers to be elected will be announced at the May members meeting. Election of Officers is scheduled for the June members meeting.

## General Genealogy Information

Genealogy was in the news as reported in the Sacramento Bee, and a few days later in the Fort Worth Star-Telegram, [Friday, April 27, 2018 page 10A]. The California headline reads *Update: East Area Rapist captured after DNA match, authorities say*. Sacramento Bee staff journalist, Sam Stanton, reports the 44-year-old cold case ended with an arrest Tuesday afternoon, April 24<sup>th</sup>, at a private residence in a Sacramento suburb. The break for Sacramento police detectives was DNA evidence from one of the old crimes, and a new DNA match found by comparing the old evidence to genetic profiles on open source online websites. These websites cater to genealogists wanting to know more about their family backgrounds by submitting DNA samples. The suspect was arraigned in Sacramento Superior Court and a police spokesperson said more information will be made public soon.

I mentioned this word at the April meeting, *paleography*, it is all about the art of reading old handwriting. Most genealogists are challenged by script or cursive writing at some point during their research. Fortunately, there are many online resources. A history professor at the University of London, Brodie Waddell, has collected about 20 free online paleography links where you may find lots of helpful tricks and techniques, Visit [old script help-LINK](#) .

## Online Genealogy Information

The May program is about Irish Texans, so a few words about "findmypast.com". Findmypast is now one of the world's leading family history websites, and an essential genealogical research tool for anyone with British or Irish ancestry. This website features a collection of Irish records second to none, with over 110 million records helping those with Irish heritage trace their family history back centuries. They have the largest online collection of UK Parish records and British and Irish newspapers spanning three centuries. Findmypast acquired Mocavo.com in 2014 and is currently digitizing US Catholic records beginning with the high population centers in NE USA. Anyone can register and search on FindmyPast, however complete access to their records requires a subscription.

The *NEHGS* [New England Historical and Genealogical Society] has begun a multi-year program to commemorate the 400th anniversary of the landing of the Mayflower and the Pilgrims at Cape Cod in early Winter 1620. In early Fall of 1620, 102 passengers . . . men, women, and children . . . and a crew of approximately 30 people left England aboard the *Mayflower* to seek freedom to practice their religion and seek opportunity in the New World. After a harrowing sixty-six day voyage across the Atlantic the passengers established the first permanent settlement of New England in Plymouth and laid the foundation for American settlement. The *Mayflower* passengers did not, of course, land in a place devoid of people or culture. They arrived in the Wampanoag Nation. Join the *NEHGS* by commemorating the landing of the *Mayflower*, honor the story of the Pilgrims and of the native Wampanoag people. Their stories, collectively and individually, embody the triumphs and tragedies of life in early New England, and in the country itself. This is paraphrased from *An Essay* by Ryan J. Woods, Senior Vice President and COO of *NEHGS*. For additional details visit [mayflower-LINK](#).

This next bit of info comes from Dick Eastman, long time genealogy blogger and author, who wrote on 16 April. The Congregational Library and Archives' "Hidden History" project is locating and digitizing New England region church records from 1630 to 1800 and putting them online free. The Congregational Library and Archives, in partnership with the Jonathan Edwards Center at Yale is currently preserving these records and making them available to the public." Since 2005 they have been rescuing old records from church attics and basements, then making them widely accessible through preservation and digitization. Many of the documents also include transcriptions. The project is a "work in progress." That is, only a small percentage of the documents have been digitized and placed online so far. The project just received a \$300,000 grant to continue the work. The same web site also has an online database of more than 30,000 obituary listings for clergy and missionaries spanning more than three centuries. Access the digitized documents at [church-LINK](#).

Do you have a future program suggestion or idea? Please share it with our AGS First Vice President, Toby Hurley.

### April 2018 Program Summary

The program featured, Brenda McClurkin, the University of Texas at Arlington Libraries Special Collections, Director. Brenda explained what to expect when you come to UTA Special Collections to do research and pointed out the finding aides for locating items of genealogical interest. The UTA Special collections includes Texas History, U.S. War with Mexico, Manuscript Collections, Cartographic Resources, Oral Histories, Photographs, and much more. A good example is a recent Fort Worth Star-Telegram *TIME FRAMES* feature. The Monday, April 23<sup>rd</sup>, 2018, FWST newspaper *TIME FRAMES* featured a write up on the George Wilkins Kendall papers archived in UTA Special Collections. G. W. Kendall was a war correspondent during the Texas revolution, and is known as the father of the sheep business in Texas. Brenda's talk was followed by a lively Q&A session.

Friday May 9, **MRS. ANNA MIMMS FERRY**, wife of Albert M. Ferry, departed this life at 8:20 p.m., Monday, May 5<sup>th</sup>. Mrs. Ferry has been connected with Berachah for thirty-two years and has proved through all those years her confidence in God and her love for a lost world. On all questions that arose, one could always know on just which side Sister Ferry would take her stand.

She was a devoted wife and mother. Not only did she mother her own daughter and son, but she took to her heart a little fellow who was left on her door step, and her mother love enfolded him. She was a mother to the girls who found their way to Berachah. She was friend to the friendless, a loving neighbor, and a true sister to those with whom she labored at Berachah.

She is gone . . . her place is vacant. But we know where to find her, for her life was one of devotion to her Maker. Berachah sorrows, but we know God doeth all things well, and we bow our heads in submission to His will. Rev. J. T. Upchurch officiated. She was laid to rest in Parkdale cemetery.

Friday May 9, **CARD OF THANKS**; We wish to thank all our friends for their kindness to our beloved wife and mother during her illness, and also for the beautiful floral offerings. A. M. Ferry, Mr. and Mrs. Clyde Crawford, Mr. and Mrs. T. C. Ferry, and Albert Mimms Ferry.

Friday May 9, **EULESS NEWS**, Miss Sally Ferris attended the funeral of **Mrs. Mary Hensley** which was held at Cockrell Hill last Saturday afternoon. She was buried in the Grapevine cemetery. Several people of this community were acquainted with Mrs. Hensley, having met her through her daughter, Miss Kate Hensley who once taught school here. We greatly sympathize with her children in the loss of their dear mother.

Friday May 9, **CARD OF THANKS**, we wish to thank each and every one for their kindness to us in our hours of sadness when we lost our dear husband and father. May God's richest blessings rest upon you. Your kindness and words of comfort mean more than you can ever know. Mrs. J. R. Cawthon, Mr. and Mrs. Russell Cawthon, and Max and Paul Cawthon.

Friday May 9, **HIGHWAY PATROLMEN A GOOD THING**, the state of Texas now has about fifty highway patrolmen who have been especially trained for their work. An exchange explains the duties of these officers in this way.

The average motorist feels that the new state highway patrolmen are on the right track, for instead of being instructed to enforce highway laws rigidly, these men were told their primary duty was to make the highway safe for motorists. They will apprehend lawbreakers when necessary but at the outset, the men were cautioned to make as few arrests as compatible with highways safety and to caution and aid rather than bulldoze and arrest.

The new highway officers will be able to render first aid in case of accidents and will be on a watch out for intoxicated and reckless drivers. The speed limit is 45 miles an hour for passenger cars which is fast enough to allow fast travel when traffic is light. But the real work of the new highway cops will be to check the weight of trucks and commercial vehicles. Overburdened trucks will be halted and weighed with portable scales and if the weight is greater than the law allows, the truck must be stopped immediately and the load transferred.

Trucks of certain weights must observe low speed limits, and if they are stopped on highways, must be completely off the pavement on the wings of the road.

These are a few of the regulations which the motor patrolmen will enforce and are indicative of the new era in motoring. Other rules also effect peace and comfort of motoring public, and instead of being harassed of the law, they will find these motor cops real aids.

Friday May 16, **DEATH OF INFANT**, little **Hugh Schepplar**, age 11 months and four days, passed away at Bradford Memorial at Dallas Monday morning at 11 o'clock after several days illness with meningitis. The funeral services were conducted at the home of his parents Mr. and Mrs. C. E. Schepplar Tuesday afternoon. Rev. Hargroves officiating. He was buried at the Grand Prairie cemetery. We wish to express our deep sympathy for his relatives and loved ones.

Friday May 16, **HARRISON NEWS**, Mrs. J. E. Short received the sad news Tuesday that **Hal Tarpley** had been killed in an automobile accident Sunday. Hal was the son of H. Tarpley of Weslaco, but formerly of Arlington, and has many friends

here who will mourn his death. Hal joined the navy four years ago, having enlisted in the Hospital Service. He had been to China and returned to California where he was waiting for his discharge in June so that he could come home.

Friday May 16, VIA AIRPLANE TO PECOS, Mrs. **Beulah Wilson**, matron of the Eastern Star Home, had quite a thrilling experience last Saturday. She wanted to spend Mother's Day with her mother at Pecos and it was about 700 miles, so she decided to go by airplane. She left Ft. Worth at 12:30 p.m. and arrived at 4:45 p.m., after making four stops during the trip, which was enjoyed very much, although she happened to be thrown in the same coach where passengers were smoking and got very sick before she landed. She said with the exception of that inconvenience she had much rather ride an airplane than a train.

Friday May 16, IN MEMORY OF GRANDMA BAILEY, another mother in Israel has gone into the Great Beyond. In the person of **Grandma Bailey**, who died at the home of her daughter, Mrs. A. J. Taylor at Vernon, Texas, May 5, 1930. Her body, accompanied by a host of friends and relatives was brought to Bowie, and laid to rest in the Bowie Cemetery, by the side of her husband who preceded her nearly twenty-two years. The writer officiated, assisted by O. A. Colley of Vernon. She was born in Rutherford county, TN, May 2, 1848, and had been a member of the Church of Christ about seventy years. She was married to J. S. Bailey who was a pioneer preacher of the gospel. To this union eleven children were born, nine of which survive her, two having died in infancy. The surviving children are J. H., R. J., and W. E. Bailey of Arlington, T. J. of Detroit, Mich., H. A. of Raton, N.M., G. T. of Phoenix, Ariz., Mrs. A. J. Traylor, Vernon, Mrs. Fred Fentris, Corsicana, and Mrs. J. T. Parish, Winfield, TX. All were present except T. J. of Detroit, Mich., who was too ill to be there. Several grandchildren and great grandchildren, a brother and sister, Logan Prater of Bowie and Mrs. Teck Brothers, Ft. Worth, are left to mourn her loss. She had made necessary preparation for the last journey and looked for and hastened unto the time to go. Blessed are the dead that die in the Lord.

### **And from a local historical perspective . . .**

January 1849: Andrew Shannon Hayter, preacher and surveyor, left Alabama for the gold rush, getting as far as Nacogdoches, where he established a plantation. At the beginning of the civil war Hayter freed his slaves. In 1870 he moved to the Johnson's Station area to start anew. He bought 300 acres and began to sell oak cross-ties to the Texas and Pacific Railroad. He was also hired to survey the railroad right of way between Fort Worth and Dallas. The US Post Office operating out of the James Ditto store adopted the name Hayterville after him, but Hayter objected. The railroad company offered him the privilege of selecting the name and Hayter wrote to Washington arranging to change the name from Hayterville to Arlington, after the home of Robert E. Lee. (Star-Telegram)
