Upcoming Regular Monthly Meeting

Monday (September 26, 2005)

Fort Worth Central Library – Chappell Meeting Room

6:30 pm: Coffee 7:00 pm: Program

On Monday, September 26, 2005 our speaker will be Terri Meeks who is a former membership chair and board member of the Fort Worth Genealogical Society. Her topic is

“French Canadian Research”.

Finding your French Canadian ancestors is much easier than you think. Quebec has maintained many different record types not usually found in the English dominated provinces. Church records, census records and notary records are a few examples. Also, many family lines have already been documented. Don't let a little French stand in your way. Come learn some history, geography and a few simple translation skills to get you started.

*Parking is free on the meters around the Library after 6:00 pm and in the Sundance Parking Lot on 3rd and Taylor after 7:00 pm.
