Upcoming Regular Monthly Meeting

Monday (November 27, 2006)

Fort Worth Central Library – Tandy Lecture Hall

6:30 pm: Coffee 7:00 pm: Program

“Yesterday’s News – Finding Answers in Old Newspapers”

Almost any newspaper or publication from our ancestor’s time and locality is worth reading. These publications will help us understand why our families moved, changed occupations or religions, and perhaps why they died early in life. We may not find an obituary or marriage notice but we will find weather and crop reports, advertisements for cheap land, political notices, religious news and evidence of epidemics – all clues to help us find that illusive ancestor or understand the ones we know. Jari Emmons is the speaker.

*Parking is free on the meters around the Library after 6:00 pm and in the Sundance Parking Lot on 3rd and Taylor after 7:00 pm.

The officers and board members for next year were elected at the October meeting. They are

They will be installed at the November meeting. Also, Rita Martin, as Footprints Editor, is on the board.
