August

General Meeting

The next General Meeting is **Tuesday night, August 26th** and the topic will be **“World War I: 100 Years of Records.”** The speaker will be **our own President, Debbie Pearson.**

All summer the TV news has heralded 100th anniversary milestones for the beginning of World War I. In June it was the assassination of Archduke Ferdinand and now in August Great Britain has asked the nation to turn out all lights and leave one candle burning for the anniversary of Britain’s entrance into the “War to End All Wars.”

Debbie will help us explore records available for WWI in data bases. Some are subscription, but she will show us how we can access some for free.

Debbie Pearson is a retired teacher and Fort Worth native. She is serving FWGS as President and Newsletter Editor.

We’ll meet at **6:00 p.m.** for coffee in the **Tandy Auditorium** of the **Central Branch Library.** Meeting starts at **6:30.**

Bring a friend or a genealogy buddy with you!

July General Meeting: PERSI with Lela Evans

What a delight to see so many members and visitors at the July meeting. It was a good turnout. We missed you if you were not there.

And **Sheryl Rascher** brought some delicious cookies and juice. But the real draw was **Lela Evans** and her **PERSI** discussion. She had an informative power point and handout and ran us through the Heritage Quest web site. That is the best place to find PERSI. She even used her own example by coming to the meeting early to find a work she was looking for that was in the FWL downstairs. She had found that work mentioned in PERSI and found that FWL had it by consulting WorldCat. We learned a lot by her examples.

Those there got a better understanding of the records that can be found on PERSI. And perhaps, what we can't find there. (Family Histories)

And one aside: our society has always been proud to be in the Wayne County Library, the home of PERSI. But in one example we saw on Lela’s screen, they have mis-indexed us as **FOOTSTEPS**!!! Our society has been proudly publishing **FOOTPRINTS** for nearly 50 years now—not Footsteps!!

You can be assured Wayne County will find out about this!!!

From the President.....

Normally I would be complaining about the summer heat, but not so much lately. Hope you are enjoying this unusual summer!

I also hope I see you soon at the Annual Summer Seminar with **Lloyd Bockstruck**. This year the topic is **Western Migration**, which hits everyone in America. All our ancestors moved westwards. (Unless you landed in San Francisco and move Eastwards.) This hits those who had English ancestors who landed on the eastern seaboard and moved on. This includes those with French ancestry who landed in Canada or New England and moved through the Northwest Territory; any New Englanders who moved south and then west. Lloyd has some special information for us on all this and more. He includes special information on river travel and old, original trails and wagon roads. In our syllabus, Lloyd has provided a wealth of old maps you are going to want to keep. We are almost at the end of our registration time, so hurry and send in that registration. It is a bargain at \$45.00 for lunch and Lloyd! **August 9th**.

It has come to my attention since the last issue of our newsletter that the husband of Jan Cowley passed away. FWGS sends sympathy to **Don Cowley's** sons.

And another long-time former Board Member passed away too. **Don Fleming** died July 21st. He served as Director and along with his wife, Martha as Archivists in the 1990's. FWGS sends our sympathies to Martha Fleming and her family.
