February Monthly Meeting

February 23, 2010
Fort Worth Library – Discovery Theater
500 W. 3rd Street

Mr. Bob Ray Sanders presented his program “Calvin Littlejohn Portrait of a Community in Black and White” at our February General Meeting. Mr. Sanders is a prominent member of the community who has held many important posts in the last 30 years. He was assisted in this talk by Mr. Littlejohn’s grandson Ron Abram.

During most of Mr. Littlejohn’s career, the local newspapers ignored the black community. Mr. Littlejohn filled this void by making more than 90,000 photographs during his career which last from the mid 1930’s until his death in 1993.

It would be futile to attempt more than a superficial selection of such a large collection for presentation whose duration is an hour or less. The online exhibit of the Littlejohn archive is located at http://www.cah.utexas.edu/exhibits/littlejohn/littlejohn_home.htm.

A book which contains selections from the archive may be purchased at <http://www.prs.tcu/fall09.html>.
