April

General Meeting

FWGS is happy to bring **Brenda McClurkin** to you for our **April General Meeting** in the Tandy Auditorium of the Central Branch FW Library. The meeting will be on **Tuesday evening, April 28th** at **6:30 p.m.** Brenda will be speaking on **"The Photographic Collections in the Archives at UTA."** Please plan to attend and find out what we can find in this extensive archive in "our own backyard."

Brenda McClurkin comes to us from UTA, where, since 2013, she has been Head of Special Collections and

Archives. She has also worked as Historical Manuscripts Archivist since October 2002.

Brenda began her library career in the Western History Department of the Denver Public Library. Moving to Texas in 1994, Brenda was quick to volunteer her services working with archival collections in Weatherford and Fort Worth, particularly Historic Fort Worth's Ball, Eddleman, and McFarland family papers. She completed an Archival Administration Certificate at UT Arlington in 2001 and became a certified archivist in 2002.

Bring a friend.
Refreshments at 6 pm.

FW Library News

April Brings Closure For Easter

All Fort Worth Libraries will be **closed** all day **Sunday, April 5th** for Easter. All libraries will resume their regular schedules on **Monday, April 6th**.

Genealogy Success Story

FWGS Secretary **Crystal Barth** is the latest to be featured on the FWL website in their popular column of genealogy successes. It is inspiring and instructive to read these journeys of your fellow researchers. Crystal followed her Starr family back to the founding of Harvard, where a relative donated land for the prestigious school. See how she did it.

March Meeting

Olyve Abbott brought us the story of her ancestress **Permelia Nickell**. Permelia and family were true pioneers, coming to Texas from Kentucky after the Civil War to flee a terrible feud going on in their county.

Don't we all wish we had an ancestor like Permelia, who kept all the letters she received along with the other correspondence that went with her letters. Many family events are documented so poignantly in these letters.

Olyve's book entitled, "[Come Sundown: The Life & Letters of a Frontier Woman](#)" is now for sale.

From the President.....

Happy Easter!! Spring is Sprung! I hope everyone has recovered from all the late season, crazy Winter Weather just in time for Tornado Season.....

Our Beginner's Class for February was cancelled due to that crazy weather, but **Terri Meeks** rescheduled it for March 9th. She did email to all the class on her email list. And while 25 did attend, I know many were not able to attend that makeup. Computer Users Group also was cancelled in February, but leader **Ed McCoy** elected to combine topics in March on the regular date. We hope everyone can get back on schedule and join us on **April 25th** which will cover the Information in Archives & Libraries.

And I also hope you have heard by now that our February speaker, county clerk **Mary Louise Garcia**, has agreed to reschedule for our **July General Meeting** and give her presentation that we missed. It promises to be a very useful talk as the county clerk's office digitizes more records and those records become easier to access. You won't want to miss this one.

A special **GET WELL** goes out to the FWGS Board of Directors. Several have been hospitalized and had surgeries recently. We need them all, and I wish them **all** complete recoveries!
